Facsimile No. 703-872-9306

Sir:

A Final Office Action was issued in the above-referenced case on January 14, 2005. A copy of the Office Action is enclosed. However, because the Office Action was forwarded to the incorrect address, the undersigned did not receive a copy of the Office Action until April 6, 2004, almost three-months into the time to reply. As this error was due to a mistake at the Patent Office, Applicants respectfully request that the time period for reply to the outstanding Office Action be reset in order to provide Applicants with the full statutory time period to reply.

A Revocation of Power of Attorney and New Power of Attorney was filed with the Patent Office on July 25, 2004 and a Change of Correspondence Address was filed with the Patent Office on August 24, 2004. Copies of these documents are enclosed. As indicated by the date-stamped return postcards, which are also enclosed, each these documents were received by the Patent Office. However, the Patent Office failed to timely enter the Change of Address which resulted in the Office Action being sent to the incorrect address.

As this error was on the part of the Patent Office, no fee is believed to be due in connection with this request. The Office Action currently outstanding, thus Applicants request prompt and favorable action.
